

Called Together Prayer Contact Team Instructions

Your team will help to lay a prayer foundation for the The Next 100 Centennial Gifts Campaign. We are asking individuals and families to pray, “God, how might I be a part of helping our congregation grow into the next century?” Through this prayer focus, it is hoped that with the Spirit’s help, each one will be able to discern what part they might have in bringing our vision to life.

On April 4 there will be an announcement in worship that the Called Together Prayer Contact Team will be calling each family in the church between **April 6-8**.

Team members will make their contacts (calls/emails) during this period. You are invited to a Centennial Service of Prayer which will be held via Zoom on Sunday evening, April 11 at 7:00 to lift in all the prayer requests that were received.

Before you make each contact, please ask God to guide you.

Your job is not to ask for money or to try and talk someone into supporting the campaign. Your role is to do the following:

1. Be sure that the Campaign Vision Letter from Senior Minister Carla Aday with Prayer Card was received by each household. If they failed to get one, offer to email them a PDF version.
2. Share that they will be receiving a Campaign Booklet in the mail which will have a lot of information about the projects and the campaign.
3. Ask them to pray for the church, the leadership and the campaign. Ask them to pray the campaign prayer, “God, how might I be a part of helping our congregation grow into the next century?”
4. Ask them if they have any special prayer request you and the church family can be lifting in prayer. Ask for permission to share these with the appropriate prayer group or Pastor/staff. If you like, you can ask them if you can close with a short prayer for them. Invite them to the Centennial Service of Prayer the following Sunday evening to pray for all the requests that have been received by the team.
5. Listen for any concerns that may be shared with you and convey those to the Pastor and/or note on your report form. If there is a pastoral emergency please ask permission to immediately share this with the Pastor/staff.
6. Encourage them to put their prayer reminder in a place that it will remind them of their commitment to these prayers.
7. Verify contact information is correct. Add changes to the report form.

If you get a voicemail: Please leave a message as to the purpose of the call (see script). Offer your name phone number and invite them to call you back. Share that you will send an email (see sample) to them in a couple of days that they can respond to as well.

Script for Conversations

Hello (Mr. or Ms. _____), my name is _____ and I'm calling on behalf of our church's Centennial Gift Campaign's Prayer Team. Did you receive a letter about the campaign and prayer card recently? If not, I can send it to you electronically or have the office mail a copy to you. A booklet on the Centennial Gifts Campaign is being mailed this week to everyone in the church and it has important information about the projects and The Next 100 Centennial Gifts Campaign.

We are encouraging everyone to pray our campaign prayer, “God, how might I be a part of helping our congregation grow into the next century?” We are also asking that you pray for our congregation over the next century, the Centennial Gifts Campaign and its leadership. Would you be willing to offer these prayers?

This coming Sunday evening at 7:00 p.m. we are live-streaming a Centennial Service of Prayer. We hope you will be able to join us on-line. During the service we will lift up the joys and concerns of our congregation. Is there something you would like for us to include in our prayers?

Thank you so much.
