Subject: Country Club Christian Church is Praying Together

Hello. My name is _____, and I am contacting you on behalf of Country Club Christian Church. As a member of the Centennial Gifts Campaign Prayer Team, I want to share that we are going to have a service to pray for you and your household. I hope you have received the letter from our Senior Minister Carla Aday about the campaign with a prayer reminder card. A campaign booklet is being mailed this week which has important information about the projects and The Next 100 Centennial Gifts Campaign.

We ask you to pray for our church and its leadership. We are also asking you to pray for our congregation over the next century and our campaign prayer, "God, how might I be a part of helping our congregation grow into the next century?"

This coming Sunday evening at 7:00 p.m. we are live-streaming a Centennial Service of Prayer. We hope you will be able to join us on-line via our website (cccckc.org). During the service we will lift up the joys and concerns of our congregation. Is there something you would like for us to include in our prayers? You may respond to this email or send a prayer request to prayers@cccckc.org. In the meantime, know that you are being prayed for by your church family.

Thank you for joining me in offering daily our campaign prayer.

Grace and peace,

P.S. I invite you to reply directly back to me with:

- Questions about our campaign
- Prayer requests
- Request for a copy of the Campaign Letter from Carla and Prayer Reminder Card
