Funding Priorities

The Grants & Special Offerings Program looks to prioritize organizations who are partners in our mission to empower children to learn, eliminate hunger, and assist in moving all people from poverty to self-sufficiency.

Country Club Christian Church seeks to make investments in communities in the hope that they can be built upon, leveraged with other gifts, and remain intact as the cornerstones of community improvement. It is the belief of the Grants & Special Offerings Team all gifts, when combined with human energy, can result in significant change for the better. Priorities for grant approvals include programs that are Christian in nature, are associated with the Christian Church (Disciples of Christ) ministries, and/or organizations that are current or potential outreach and mission partnerships in the Northeast Kansas City area.

Organizations with smaller operating budgets in which the gift will make a greater impact receive stronger consideration over those with large operating budgets and multiple funding sources.
