COLUMBARIUM AND ROSE GARDEN

The Country Club Christian Church Columbarium and Rose Garden provide two beautiful settings that will honor and perpetuate cherished memories of deceased loved ones. The Columbarium serves as a living memorial to those who have gone before us. The lovely Rose Garden offers a more secluded setting for remembering. The warm design of each invites meditation and prayer and honors the deceased.

WHAT IS A COLUMBARIUM?

A columbarium is a beautiful resting place for the cremated remains (ashes) of deceased persons.

The word columbarium is derived from “columba,” the Latin word for dove, the symbol of God’s spirit of peace.

WHERE IS THE COUNTRY CLUB CHRISTIAN CHURCH COLUMBARIUM?

The columbarium is located on the west side of the George Hamilton Combs Chapel. This lovely place invites prayer and is a peaceful gathering spot for family and friends.

WHY HAVE A COLUMBARIUM AT THE CHURCH?

Historically, churches have been natural resting places for deceased members of the Christian community and their families. Church cemeteries were the usual repositories and final resting places of their deceased members. The Country Club Christian Church columbarium allows us

to provide the church’s ministry of care for the remains of departed loved ones and comfort to the bereaved.

WHO MAY BE INURNED?

The columbarium is to be used exclusively for the inurnment of human remains. Inurnment is limited to persons with a relationship to Country Club Christian Church.

HOW ARE ARRANGEMENTS MADE?

If you are interested in an application or the fee schedule for the columbarium and rose garden, please contact the church office. A member of the staff will contact you to answer questions and help you with your arrangements.

MEMORIALIZATION

Memorialization is a time-honored tradition that has been practiced by caring people through the centuries. As survivors, we care about and want to remember those who precede us in death.

A permanent memorial for a loved one satisfies an immediate need and helps to preserve our heritage.

Memorials are stepping stones to the past and to the future. They link the generations.

The Country Club Christian Church columbarium provides a visual symbol that will perpetuate cherished memories. This lovely garden area serves as a living memorial to those who have gone before us. The warm design invites meditation, prayer and loving honor of the deceased.
